We also will be hosting a series of public meetings in various Santa Barbara County locations during the **week of May 12**. At each of these meetings, we will present the key findings of the draft feasibility study report, answer your questions, and provide opportunities for you to submit your comments. Watch for a postcard with specific meeting dates, times and locations, or check the web page listed above.

We appreciate your contributions to the study process so far, and we look forward to your comments on this draft report.

Please keep in mind that your comments are public information. If individuals submitting comments request that their names and/or addresses be withheld from public disclosure, this will be honored to the extent allowable by law. Such requests must be stated prominently at the beginning of correspondence and comments. As always, NPS will make available to public inspection all submissions from organizations or businesses and from persons identifying themselves as representatives or officials of organizations and businesses. Anonymous comments may not be considered.
